**Dear Friend of Our Community's Arts,**

March, 2020

Thanks to people like you, the Fenton Arts Council's "Arts Are The Heart" events have provided **FREE** art enrichment activities to our community and grown steadily the past four years. We are embarking on our fifth season and are asking for your support.

The summer series of events celebrates the Arts by providing hands-on experiences for children and families in many genres. As we grow this annual series of events, we continue to offer more enriching art activities to the Fenton Community each year. To ensure sustainability of these great events, we are asking community individuals, organizations and businesses to help the Fenton Arts Council, by becoming a sponsor of "Arts Are The Heart". Arts are incredibly important to a community. The Arts improve quality of life, foster creative thinking and assist with problem solving. In addition, arts and culture contribute to the local, regional and national economy.

Each "Arts Are The Heart" event includes all types of art: Visual, Musical, Drama, S.T.E.A.M., Dance and Literary. All **FREE** to the participants!

As Fenton becomes more of an art-centered community, more and more local businesses and individuals are showing their appreciation for the Arts by becoming part of "Arts Are The Heart", through sponsorship. Please consider becoming a sponsor.

Thank you,

-- The Fenton Arts Council and "Arts Are The Heart" committee
